NOTES/COMMENTS:

Attention: Issue Fee Payment and Appropriate Personnel to Handle Corrected Drawing Submission

I am faxing a Fee Transmittal for the required Large Entity \$1400 Issue Fee. PTO Form 2038 is included herewith authorizing charging the Issue Fee to a credit card. Also included herewith is a corrected drawing. The Notice of Allowance dated 9/23/2005 notes that a corrected Figure 1 must be submitted. Namely, Fig. 1 must be labeled. No other changes were made to the Figure. Corrected and labeled Figure 1 was not submitted with a Letter to the Draftsperson of the USPTO, since no changes were made to the Figure beyond labeling Figure 1 and marking it "Replacement Sheet".

This fax cover sheet also includes a fax certification for 12/11/2005 certifying that the drawing is faxed with this issue fee payment submission.

Please ensure that submission of this issue fee payment and the corrected drawing is properly acknowledged and handled so that this application may proceed to issuance.

I hereby certify this correspondence, including an issue fee transmittal, issue fee payment, PTO 2038 and corrected drawing is submitted by facsimile transmission to (571) 273 2885 on December 11, 2005.

A handwritten signature in black ink, appearing to read 'M. Robert Kestenbaum'.
